To whom it may concern

I certify that I adhere to the Policy on Publishing Integrity of the journal: "EQUATIONS" and of the Publisher WSEAS in order to safeguard good scientific practice in publishing. Therefore, I certify the following:

1. All articles have been subjected to peer review by 3-5 reviewers.
2. The names and the email address of the reviewers can be found on the web page of the Journal. This list is continuously updated and inactive reviewers are erased.
3. The data bases with accepted / rejected papers published openly in the front page of the WSEAS web site are true and precise.
4. I guarantee that the acceptance/rejection rate posted in the web site of the journal is true and precise.
5. Reviews have been conducted by expert referees, who have been requested to provide unbiased and constructive comments aimed, whenever possible, at improving the work.
6. I have taken all reasonable steps to ensure the quality of the published material.
