"WSEAS is a very good Publisher and it is our Good hope among the Ocean of Predatory Publishers that sent us Predatory Spam every day! I have excellent experience with WSEAS. They do care about the quality of the work published and they have really a good system of peer-review. I am happy that my paper after rigorous peer-review has been accepted in WSEAS Transactions After 25 years of publishing activities, WSEAS has never published a low-quality paper and has not been involved in predatory publishing practices of the so-called predatory publishers I will continue sending papers to WSEAS. I trust them and I trust their peer review. Thanks for the extended support.
