I declare, I confirm, I certify and I sign that I received substantial, important, line by line peer review with several and substantial comments, important remarks and hints from, at least, 3 Reviewers and the Assistant Editor for my paper:

A hybrid technique for solving the fractional-order SIR Epidemic model with Authors: ASLAAM A F ALI, MARYAM A H HAIDER, AYIMAN A ALMABROK

I would like to thank all the reviewers for their thoughtful comments and efforts towards improving our manuscript. We revised the manuscript with special attention to the comments that we received from**Three (3)**..... (<-write the correct number) reviewers that were experts, specialists in the area of my paper. I declare, confirm, certify and sign that WSEAS has checked my paper for possible plagiarism by Turnitin and my paper was found without plagiarism or self-plagiarism by Turnitin. I also declare, confirm, certify and sign that also that no Associate-Editor, no Editor-in-Chief, no member of the WSEAS Secretariat forced me in this Journal to add references (citations) to any previous publications of the journal.

I also declare, confirm, certify and sign that I have made all the changes, modifications, additions, studies, corrections asked by the reviewers and I have fully complied with their instructions. I also understand that before the publication the 3 (or more than 3) reviewers will check my paper to see if all the changes, modifications, additions, studies, corrections etc have been done and I authorize the WSEAS to publish my paper or to reject my paper even in the 2nd round of peer review or to continue with an additional round of peer review.

I also declare, I confirm, I certify and I sign that I will not publish this paper or an important part of the paper in any other Journal (inside or outside WSEAS) Conference Proceedings (inside or outside WSEAS), Book (inside or outside WSEAS), University Repository etc) without the written permission of the WSEAS.

I also declare, I confirm, I certify and I sign that this paper or an important part of the paper has not been published other Journal (inside or outside WSEAS) Conference Proceedings (inside or outside WSEAS), Book (inside

or outside WSEAS), University Repository etc). In case of violation of the above terms, WSEAS can reject any unpublished paper or even retract any published paper.

Please, write additional comments below (take ideas from: <http://wseas.org/main/author-testimonials.html>)

On behalf of all the authors, we would like to express our deepest gratitude and appreciation for informing us of the decision to accept our manuscript, titled: "A hybrid technique for solving the fractional-order SIR Epidemic model," for publication in WSEAS .We would like to convey our admiration and high regard for the professional and well-organized peer review process managed by the WSEAS family of journals. The critical and constructive comments we received from the reviewers, especially the three distinguished reviewers, were of immense value and contributed significantly to elevating the quality, clarity, and academic rigor of our paper. We diligently worked to address all points raised in the review reports, and we hope that the final revised version meets the high standards expected of your prestigious journal. We are truly honored to join the WSEAS research community and look forward to seeing our work published within this leading scientific platform.

Thank you once again for your efforts, and the efforts of the editorial team and the reviewers.
