“The level of professionalism and efficiency exhibited by WSEAS Journals in reviewing and publishing scientific articles is truly commendable. As an author who submitted an article, I was impressed by how the editor kept me informed about my submission's progress and promptly responded to any queries I had. The feedback I received from the three reviewers was both constructive and courteous, and it greatly aided us in highlighting the innovation of our publication. Based on my experience, I strongly endorse the WSEAS Transactions on Business and Economics as an excellent choice for scholars seeking to publish their research”
