This was our first submission of a paper to your organization. For the journal, WSEAS Transactions on Business and Economics, we have the best impressions of the review process. A true peer review procedure was used for the review.

We want to sincerely thank you and show our admiration for your comments. We learned how to enhance our paper from both reviewers. Corrections were made in response to the criticism of the methodological section, which was made more descriptive, and the data supporting it. I appreciate your cooperation.
