### **Author's Reply**

Dear Editor,

The authors would like to thank you and reviewers for careful review of our manuscript and their comments and suggestions to improve the quality of the manuscript. We made the corrections reflecting the reviewers' comments. The authors' response is written in the following manner:

- 1) Blue letters are reviewer's comments
- 2) Black letters are our response
- 3) Red letters are modified phrases in the revised manuscript.

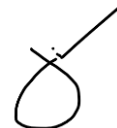

### **Reviewer's Comments**

Thank you very much for your valuable comments.

1. Pay high attention to the references. Every reference inside the text must be reported in the list of the references, and every reference in the list of the references must be connected inside the main text properly. The general policy of the WSEAS Journals in the references is the authors of the paper to dedicate maximum 10% of their citations to their previous publications with a maximum number 5. Also the references must have diversity to authors, journals and countries.

I would like to thank for your thoughtful comments and efforts towards improving our manuscript. Regarding the references, I apologize for not noticing.

I have been inserted previous published own paper and edited the references with red font.
