I was truly impressed by the professionalism and efficiency of the WSEAS Journals throughout the review and publication process. This was my first time submitting a paper to WSEAS Transactions on Business and Economics, and the experience exceeded my expectations. From the moment I submitted my paper, the editorial team kept me regularly informed about the status of my submission and responded promptly to any questions I had. Their communication was clear, timely, and collaborative.

The feedback I received came from three reviewers, whose comments were both constructive and respectful. Their insights not only encouraged us but also helped us further improve the quality and clarity of our paper, highlighting its technical novelty. Based on this very positive experience, I highly recommend WSEAS Transactions on Business and Economics to fellow researchers and academics looking to publish their work in a supportive and professional environment.
