“I am very pleased that my group's article was accepted for publication in your Journal. I have been a scientist in the field of economics and management for more than 20 years, but this is the third time I have submitted an article to the journal, and I highly appreciate the work of the team of Assistants, Secretaries and Editorial Board of the journal. The article was censored and peer-reviewed by 3 reviewers; this is truly a quality journal. Because the other journals I submitted to only had 2 reviewers. On behalf of the group, I would like to thank the editorial board and reviewers of the journal. I will introduce the journal to my colleagues and friends who research in the journal. I hope the journal will develop more and more and quickly be listed in a higher category, such as SSCI,....”

Thank you very much!
