For us, this was the second time we have submitted a paper to your institution. We have the highest appreciation for the review process of *WSEAS Transactions on Business and Economics*. The review was conducted as a genuine peer-review process.

We would like to express our sincere gratitude and great respect for the reviewers' valuable remarks. Both reviewers highlighted important aspects that helped us improve our manuscript. In particular, the comments regarding the methodological section—prompting a more descriptive presentation—and the need to better substantiate the results were fully accepted, and the manuscript has been revised accordingly.

Thank you very much for your cooperation.
