I declare, I confirm, I certify and I sign that I received substantial, important, line-by-line peer review with several substantial comments, important remarks, and recommendations from three (3) Reviewers and the Assistant Editor for my paper: ***“Hardware-Aware Mathematical and Numerical Evaluation of LIF, Izhikevich, and Digital Spiking Neuron Models for Low-Cost Neuromorphic Implementation”*** (Manuscript ID: 5101-881), with Authors: **Jesus Rodriguez-Flores, Edgart Marchan-Millan, and Alex Moyota-Paguay.**

I would like to thank all the reviewers for their thoughtful comments and efforts toward improving our manuscript. We revised the manuscript with special attention to the comments received from **three (3)** reviewers who are experts and specialists in the area of our paper.

I declare, confirm, certify, and sign that WSEAS checked my paper for possible plagiarism using Turnitin and that the paper was found to contain no plagiarism or self-plagiarism. I also declare, confirm, certify, and sign that no Associate Editor, Editor-in-Chief, or member of the WSEAS Secretariat forced me to add references or citations to previous publications of the journal.

I also declare, confirm, certify, and sign that I have made all the changes, modifications, additions, studies, and corrections requested by the reviewers and have fully complied with their instructions. I understand that, before publication, the three (3) reviewers, or more than three reviewers if applicable, will check the paper to verify that all requested changes, modifications, additions, studies, and corrections have been completed. I authorize WSEAS to publish the paper, reject it during the second round of peer review, or continue with an additional round of peer review.

I also declare, confirm, certify, and sign that I will not publish this paper, or a substantial part of it, in any other journal, conference proceedings, book, university repository, or other publication venue, whether inside or outside WSEAS, without the written permission of WSEAS.

I also declare, confirm, certify, and sign that this paper, or a substantial part of it, has not been published in any other journal, conference proceedings,

book, university repository, or other publication venue, whether inside or outside WSEAS. In the event of a violation of these terms, WSEAS may reject any unpublished paper or retract any published paper.

Additional comments:

I appreciate the rigorous and constructive peer-review process. The comments provided by the three reviewers helped us clarify the originality and computational provenance of the study, strengthen the mathematical analysis, formalize the multicriteria framework, and improve the overall consistency of the manuscript. I thank the reviewers, the Assistant Editor, and the editorial team for their careful evaluation.
