

I declare, acknowledge, certify and sign that I have received a substantial, important, line-by-line review with several and significant comments, important comments and hints from at least 3 reviewers and an associate editor for my article, " Controlling the polarization of ferroelectrics to obtain additional energy".

Authors include: V.I. Zubtsov.

I would like to thank all reviewers for insightful comments and efforts to improve our manuscript. We revised the manuscript with special attention to the comments received from three reviewers who are experts, specialists in the field of my work.

I declare, affirm, certify and sign that WSEAS has checked my work for possible plagiarism using Turnitin and my work has been found free from plagiarism or self-plagiarism using Turnitin. I also declare, confirm, certify and sign that none of the Associate Editors, Editors-in-Chief or WSEAS secretariat staff have encouraged me to add references (citations) to any previous publications in this journal.

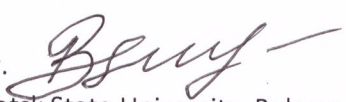

I also declare, affirm, certify and sign that I have made all changes, modifications, revisions, amendments, additions, studies and corrections requested by the reviewers and have fully complied with their instructions.

I also declare, affirm, certify and sign that I will not publish this article or any important part of the article in any other journal (inside or outside WSEAS), conference proceedings (inside or outside WSEAS), book (inside or outside WSEAS), university repository, etc.) without written permission from WSEAS.

I also declare, affirm, certify and sign that this article or an important part of the article has not been published in other journals (inside or outside WSEAS), conference proceedings (inside or outside WSEAS), books (inside or outside WSEAS), university repositories, etc.). If the above conditions are violated, WSEAS may reject an unpublished article or even withdraw a published article.

**Thank you for your qualified comments. WSEAS Publishing always keeps me informed and responds to my questions very quickly. The work of WSEAS Publishing is of a high standard. I am very interested to publish in WSEAS and their publications.**

B. I. Zubtsov.
