I certify that I received substantial, important, line by line peer review with several and substantial comments, important remarks and hints from, at least, 3 Reviewers and the Assistant Editor for my paper: A Modular Design Approach for Ka-Band Front-End Receiver of Synthetic Aperture Interferometric Passive Imager with Authors: Muhammad Asif, Huo Anyong and Jungang Miao.

I would like to thank all the reviewers for their thoughtful comments and efforts towards improving our manuscript. We revised the manuscript with special attention to the comments that we received from, at least, 3 reviewers that they were experts, specialist in the area of my paper. Also, I declare also that no reviewer, no Associate-Editor, no Editor-in-Chief, no member of the WSEAS Secretariat, nobody whatsoever and never forced me in this Journal to add references (citations) to any previous publications of the journal.

Please, write additional comments below (take ideas from:
