I declare, I confirm, I certify and I sign that I received substantial, important, line by line peer review with several and substantial comments, important remarks and hints from, at least, 3 Reviewers and the Assistant Editor for my paper:

Aspects of Symmetry in Petri Nets

with Authors: Anthony Spiteri Staines

I would like to thank all the reviewers for their thoughtful comments and efforts towards improving our manuscript. I revised the manuscript with special attention to the comments that we received from **Three (3)**. reviewers that were experts, specialists in the area of my paper.

I declare, confirm, certify and sign that WSEAS has checked my paper for possible plagiarism by Turnitin and my paper was found without plagiarism or self-plagiarism by Turnitin. I also declare, confirm, certify and sign that also that no Associate-Editor, no Editor-in-Chief, no member of the WSEAS Secretariat forced me in this Journal to add references (citations) to any previous publications of the journal.

I also declare, confirm, certify and sign that I have made all the changes, modifications, additions, studies, corrections asked by the reviewers and I have fully complied with their instructions. I also understand that before the publication the 3 reviewers will check my paper to see if all the changes, modifications, additions, studies, corrections etc have been done and I authorize the WSEAS to publish my paper or to reject my paper even in the 2nd round of peer review or to continue with an additional round of peer review.

I also declare, I confirm, I certify and I sign that I will not publish this paper or an important part of the paper in any other Journal (inside or outside WSEAS) Conference Proceedings (inside or outside WSEAS), Book (inside or outside WSEAS), University Repository etc) without the written permission of the WSEAS.

I also declare, I confirm, I certify and I sign that this paper or an important part of the paper has not been published other Journal (inside or outside

WSEAS) Conference Proceedings (inside or outside WSEAS), Book (inside or outside WSEAS), University Repository etc). In case of violation of the above terms, WSEAS can reject any unpublished paper or even retract any published paper.

I wish to thank WSEAS and the reviewers for the important comments, suggestions and insights that they gave for improving the paper. Thanks to their suggestions, comments and ideas, I managed to greatly improve the quality of the paper and add more content focusing on the results. The comments also helped to improve the writing style and readability of the paper. I added more references, improved the suggested sections as indicated and also put some results in tabular form for better comprehension. Also the suggestion to use GMAIL to find writing mistakes is excellent. I used it to correct them. I now feel the paper has been really improved and I also got ideas for some future work. Thankyou.
