I certify that I received substantial, important, line by line peer review with several and substantial comments, important remarks and hints from 3 Reviewers and the Assistant Editor for my paper: **Intelligence Clinical Decision Support System for Diabetes Management**

with Authors: Tasneem M.Abu-Kabeer, Mohammad Alshraideh, Ferial Hayajneh

I would like to thank all the reviewers for their thoughtful comments and efforts towards improving our manuscript. We revised the manuscript with special attention to the comments that we received from 3 reviewers that they were experts, specialist in the area of my paper.

Also, I declare also that no reviewer, no Associate-Editor, no Editor-in-Chief, no member of the WSEAS Secretariat, nobody whatsoever and never forced me in WSEAS Journals to add references / citations to any previous WSEAS Publications or any other publications

I thank all the teams whom are cooperative and in the same time I feel that the review process of the papers in WSEAS Journals is fair and strong. The comments that I received are invaluable indeed.

Thank you again
