I strongly endorse the WSEAS Transactions on Computer Research journal for any academics looking to publish their research. I am deeply appreciative of the comprehensive and critical peer review process facilitated by WSEAS, which involved detailed and insightful feedback from three reviewers and the Assistant Editor of the WSEAS WSEAS Transactions on Computer Research for my article titled "*Internet of Things in Education: Teachers' Perspectives, Practices, and Challenges.*" My gratitude extends profoundly to the WSEAS Scientific and Engineering Academy and Society.
