*I want to use this opportunity to appreciate WSEAS for free publication of my article. WSEAS is an excellent Publisher, a good hope for the hopeless, different from the 'cash and carry' and predatory Publishers who are out there only to extort money without rigorous peer-review. The quality of work published is unparalleled to none; the standards of peer-review is exceptional. I am proud to have my work accepted for publication after a rigorous peer review process. I hope WSEAS will keep up this standard as I will continually rely on them for a rigorous and standardized pedagogic exercise. Thanks.*
