Dear WSEAS Team,

I am writing to express my sincere gratitude for the opportunity to publish my research journal in your esteemed publication. I would like to extend my special thanks to the three reviewers who provided invaluable feedback on my work.

Their comments and suggestions were insightful and constructive, and they have significantly improved the quality of my research. I am particularly grateful to Reviewer #3 for pointing out the need for more details and explanations in the text regarding Table 1's "Inner Model Test (p-value)". I understand the importance of clarity, and I will be sure to incorporate these details in the revised version of my journal.

The entire review process has been a valuable learning experience for me, and I appreciate the time and effort invested by the WSEAS team in ensuring the quality of the published research.

Thank you once again for your support.

Sincerely,

Mochammad Al Musadieq
