This was not first time that we sent a paper to your institution. So we are impressed by WSEAS Journals' professionalism and efficiency regarding the review and publication of scientific articles. During the submitting a paper the editor Maria regularly updated me on the status of my submission and responded timely to my questions. The feedback was shared by 3 anonymous reviewers, whose comments were both respectful and helpful, helping us to improve our paper. For these reasons, I highly recommend WSEAS Transactions on Fluid Mechanics journal to all academics interested in publishing their work. I hope that our efforts will further increase the rating of these publications, and readers will find only high-quality scientific material in them. I am glad that the paper will be published in this journal soon and I thank the Editor-in Chief, Associate Editor and the team of 3 reviewers for their cooperation.
