I want to thank you for your excellent job. I have had the opportunity of sending several papers for the *WSEAS Transactions on Heat and Mass Transfer* and I can say that the review process of the papers is very well done. Please, you should continue this way, because your journals have a very high level. I am very interested in publishing my contributions in the WSEAS publications.

Moreover, I would like to thank the reviewers for the efforts that they have devoted to extracting the relevant remarks.
