I declare, I confirm, I certify and I sign that I received substantial, important, line by line peer review with several and substantial comments, important remarks and hints from, at least, 3 Reviewers and the Assistant Editor for my paper: **The Effect of Entrepreneurial Orientation and Service Innovation on Sustainable Competitive Advantage on The Performance of 3,4 and 5 Star Hotels In Indonesia**

with Authors: I NYOMAN SARYA, MTS. ARIEF, HARDIJANTO SAROSO, AGUSTINUS BANDUR.....

I would like to thank all the reviewers for their thoughtful comments and efforts towards improving our manuscript. We revised the manuscript with special attention to the comments that we received from**Three (3)**.... (<-write the correct number) reviewers that were experts, specialists in the area of my paper. I declare, confirm, certify and sign that WSEAS has checked my paper for possible plagiarism by Turnitin and my paper was found without plagiarism or self-plagiarism by Turnitin. I also declare, confirm, certify and sign that also that no Associate-Editor, no Editor-in-Chief, no member of the WSEAS Secretariat forced me in this Journal to add references (citations) to any previous publications of the journal.

Reviewer 1 : The authors must change the format to the correct WSEAS format, The authors must make the necessary corrections in the English Language, They must correct all their grammatical errors, Another, very important Problem is that the authors must improve their references .

We have made revisions by adjusting the article to the wseas format, editing grammar, editing turnitins and editing reference writing

Reviewer 2 : The names and affiliations of the authors have to be included, Can you give us more details and explanations about the research methodology (section 3)? Figure 1 ‘Pathway result’ should be analyzed in the main text in more detail, The statistical analysis needs extension dan Add more conclusions

We have made revisions by writing down all authors, revising the methodology section, adding to explain pathways and statistical results and conclusions

Reviewer 3 : The abstract should be more informative about the content of the manuscript, The presentation of the results (section 4) should be improved and This paper describes the results but little discussion is included, therefore the authors should improve notably the discussion of their results to show the scientific contribution (section 4).

We have revised the abstract section, we have also added a result explanation section and added research contributions in the conclusion section I also declare, confirm, certify and sign that I have made all the changes, modifications, additions, studies, corrections asked by the reviewers and I have fully complied with their instructions. I also understand that before the publication the 3 (or more than 3) reviewers will check my paper to see if all the changes, modifications, additions, studies, corrections etc have been done and I authorize the WSEAS to publish my paper or to reject my paper even in the 2nd round of peer review or to continue with an additional round of peer review.

I also declare, I confirm, I certify and I sign that I will not publish this paper or an important part of the paper in any other Journal (inside or outside WSEAS) Conference Proceedings (inside or outside WSEAS), Book (inside or outside WSEAS), University Repository etc) without the written permission of the WSEAS.

I also declare, I confirm, I certify and I sign that this paper or an important part of the paper has not been published other Journal (inside or outside WSEAS) Conference Proceedings (inside or outside WSEAS), Book (inside or outside WSEAS), University Repository etc). In case of violation of the above terms, WSEAS can reject any unpublished paper or even retract any published paper.
