I have submitted papers to WSEAS Transactions on Mathematics for the first time. I am very impressed with the systematic, answering questions and providing fast information of the journals. I want to thank WSEAS for the feedback from 3 reviewers to make the research more complete, And it is valuable to apply this research to work in various fields. I am glad that the paper has been accepted for publication in this journal, and I thank the Editor-in-Chief, Associate Editor, and the team of 3 reviewers. I look forward to having the opportunity to submit my research for publication in this journal or work together again.
