"Dear All,

We are impressed by WSEAS Journals' professionalism, prompt response of editors, and efficiency regarding the review and publication of scientific articles. When we submitted a mathematical article to the WSEAS Transactions on Mathematics journal, the editor regularly updated us on the status of our submission and responded promptly to our questions. The feedback was shared by three reviewers that were experts, specialists in the area of our paper. Their comments were both respectful and helpful, helping us showcase the technical novelty of our publication. For these reasons, we highly recommend WSEAS Transactions on Mathematics journal (but not only this one from WSEAS catalogue) to all academics interested in publishing their scientific work. Thank you for being so cooperative and motivated!
