I am impressed by WSEAS Journals' professionalism and efficiency regarding the review and publication of scientific articles. When I submitted a mathematical article in the field of General topology, the editor regularly updated me on the status of my submission and responded timely to my questions.

The feedback was shared by 3 reviewers, whose comments were both respectful and helpful, helping us showcase the technical novelty of our publication. For these reasons, I highly recommend WSEAS Transactions on Mathematics journal to all academics interested in publishing their work.
