with Authors:

Dr. HASSAN ABDULMOUTI.....

I would like to thank all the reviewers for their thoughtful comments and efforts towards improving our manuscript. We revised the manuscript with special attention to the comments that we received from **Three (3)**.... (<-write the correct number) reviewers that were experts, specialists in the area of my paper. I declare, confirm, certify, and sign that WSEAS has checked my paper for possible plagiarism by Turnitin and my paper was found without plagiarism or self-plagiarism by Turnitin. I also declare, confirm, certify, and sign that also that no Associate-Editor, no Editor-in-Chief, no member of the WSEAS Secretariat forced me in this Journal to add references (citations) to any previous publications of the journal.

I also declare, confirm, certify and sign that I have made all the changes, modifications, additions, studies, corrections asked by the reviewers, and I have fully complied with their instructions. I also understand that before the publication the 3 (or more than 3) reviewers will check my paper to see if all the changes, modifications, additions, studies, corrections etc have been done and I authorize the WSEAS to publish my paper or to reject my paper even in the 2nd round of peer review or to continue with an additional round of peer review.

I also declare, I confirm, I certify, and I sign that I will not publish this paper or an important part of the paper in any other Journal (inside or outside WSEAS) Conference Proceedings (inside or outside WSEAS), Book (inside or

outside WSEAS), University Repository etc) without the written permission of the WSEAS.

I also declare, I confirm, I certify and I sign that this paper or an important part of the paper has not been published in other Journal (inside or outside WSEAS) Conference Proceedings (inside or outside WSEAS), Book (inside or outside WSEAS), University Repository etc). In case of violation of the above terms, WSEAS can reject any unpublished paper or even retract any published paper.

Please, write additional comments below (take ideas from: <http://wseas.org/main/author-testimonials.html>)

WSEAS Journals' and conference expertise and quickness in reviewing and publishing scholarly articles has impressed me. When I submitted a research paper including many experiments in the topic of renewable and energy, three reviewers provided criticism, which was very useful and valid to improve the quality of the paper also was useful in highlighting the technical originality of my article. For these reasons, I strongly advise all academics interested in publishing their work to consider WSEAS.
