I declare, I confirm, I certify and I sign that I received substantial, important, line by line peer review with several and substantial comments, important remarks and hints from, at least, 3 Reviewers and the Assistant Editor for my paper: : "Small-Signal Stability of HVDC-Connected Offshore Wind Farms Under Weak-Grid Conditions"
with Authors: Andile S. Xaba, Rudiren Sarma, and David G. Dorrell
I would like to thank all the reviewers for their thoughtful comments and efforts towards improving our manuscript. We revised the manuscript with special attention to the comments that we received from **Three (3)** (<-write the correct number) reviewers that were experts, specialists in the area of my paper.
I declare, confirm, certify and sign that WSEAS has checked my paper for possible plagiarism by Turnitin and my paper was found without plagiarism or self-plagiarism by Turnitin. Author's clarification: The corresponding author has not independently submitted the revised manuscript to Turnitin and has not received a Turnitin report for this version. The declaration above concerning WSEAS screening is therefore subject to confirmation by WSEAS during its editorial originality check. I also declare, confirm, certify and sign that also that no Associate-Editor, no Editor-in-Chief, no member of the WSEAS Secretariat forced me in this Journal to add references (citations) to any previous publications of the journal.

I also declare, confirm, certify and sign that I have made all the changes, modifications, additions, studies, corrections asked by the reviewers and I have fully complied with their instructions. I also understand that before the publication the 3 (or more than 3) reviewers will check my paper to see if all the changes, modifications, additions, studies, corrections etc have been done and I authorize the WSEAS to publish my paper or to reject my paper even in the 2nd round of peer review or to continue with an additional round of peer review.

I also declare, I confirm, I certify and I sign that I will not publish this paper or an important part of the paper in any other Journal (inside or outside WSEAS) Conference Proceedings (inside or outside WSEAS), Book (inside

or outside WSEAS), University Repository etc) without the written permission of the WSEAS.
I also declare, I confirm, I certify and I sign that this paper or an important part of the paper has not been published other Journal (inside or outside WSEAS) Conference Proceedings (inside or outside WSEAS), Book (inside or outside WSEAS), University Repository etc). In case of violation of the above terms, WSEAS can reject any unpublished paper or even retract any published paper.

Please, write additional comments below (take ideas from: http://wseas.org/main/author-testimonials.html)

The reviewers provided detailed and constructive comments that led to substantial improvements in the manuscript. The revision expands the eight-state mathematical formulation, clarifies the operating-point and Jacobian linearisation, adds quantitative modal tables and revised figures, corrects the BESS control interpretation, and states the limitations of the reduced-order model transparently.
