Academic Email:

I declare, I confirm, I certify and I sign that I received substantial, important, line by line peer review with several and substantial comments, important remarks and hints from, at least, 3 Reviewers and the Assistant Editor for my paper: ..
Well-posedness of the optimal control problem related to degenerate chemo-attraction models
with Authors: ..*Sarah Serhal, Georges Chamoun, Mazen Saad and Toni Sayah*
....

I would like to thank all the reviewers for their thoughtful comments and efforts towards improving our manuscript. We revised the manuscript with special attention to the comments that we received from

the Reviewer 1:

We have corrected all the grammatical errors using the mentioned video via Gmail.

the reviewer 2:

1. **Further details were given on the Faedo-Galerkin solution in Subsection 2.1.**
2. **The numerical test is one of the perspective of this work including the control problem. In fact, numerical simulations without control were done in [Saito, IMA, J. Num. Analys. 2007], [Badia and al., M3AS 2023], [Hassan et al., Comm. Nonlinear Sci, 2022] using finite element method, [Filbet, Num Math, 2006] and [Bessemolin et al. IMAQ J of Num. Analysis, 2014] using finite volume scheme. In our paper, we focus only on the theoretical study of the optimal model.   All mentioned works have been added at the end of the subsection 2.3**
3. **We have checked all the references.**

the reviewer 3:

All the references are well-checked according to the given instructions.

(<-write the correct number) reviewers that were experts, specialists in the area of my paper.
I declare, confirm, certify and sign that WSEAS has checked my paper for possible plagiarism by Turnitin and my paper was found without plagiarism or self-plagiarism by Turnitin. I also declare, confirm, certify and sign that also that no Associate-Editor, no Editor-in-Chief, no member of the WSEAS Secretariat forced me in this Journal to add references (citations) to any previous publications of the journal.

I also declare, confirm, certify and sign that I have made all the changes,

modifications, additions, studies, corrections asked by the reviewers and I have fully complied with their instructions. I also understand that before the publication the 3 (or more than 3) reviewers will check my paper to see if all the changes, modifications, additions, studies, corrections etc have been done and I authorize the WSEAS to publish my paper or to reject my paper even in the 2nd round of peer review or to continue with an additional round of peer review.

I also declare, I confirm, I certify and I sign that I will not publish this paper or an important part of the paper in any other Journal (inside or outside WSEAS) Conference Proceedings (inside or outside WSEAS), Book (inside or outside WSEAS), University Repository etc) without the written permission of the WSEAS.

I also declare, I confirm, I certify and I sign that this paper or an important part of the paper has not been published other Journal (inside or outside WSEAS) Conference Proceedings (inside or outside WSEAS), Book (inside or outside WSEAS), University Repository etc). In case of violation of the above terms, WSEAS can reject any unpublished paper or even retract any published paper.
