I declare that I have received substantial comments and suggestions from three reviewers and the Assistant Editor for my paper: Performance of some modified test statistics for testing the population signal to noise ratio: Simulation and Applications with Authors: SAMANTHA MENENDEZ and FLORENCE GEORGE.....

I would like to thank all the reviewers for their thoughtful comments and efforts towards improving our manuscript. We revised the manuscript with special attention to the comments that we received from **three** reviewers.

I sincerely believe that WSEAS has checked my paper for possible plagiarism by Turnitin and my paper was found without plagiarism or self-plagiarism by Turnitin. I also declare that no Associate-Editor, no Editor-in-Chief, no member of the WSEAS Secretariat forced me in this Journal to add references (citations) to any previous publications of the journal.

I also certify that we have made all the changes, modifications, additions, corrections asked by the reviewers and I have fully complied with their instructions. I also understand that before the publication reviewers will check my paper to see if all the changes, modifications, additions, studies, corrections etc have been done and I authorize the WSEAS to publish my paper or to reject my paper even in the 2nd round of peer review or to continue with an additional round of peer review.

Best of my knowledge, I will not publish this paper or an important part of the paper in any other Journal (inside or outside WSEAS) Conference Proceedings (inside or outside WSEAS), Book (inside or outside WSEAS), University Repository etc) without the written permission of the WSEAS. In case of violation of the above terms, WSEAS can reject any unpublished paper or even retract any published paper.

*Thank you for providing us with three reviewer's comments and suggestions, which certainly improved the quality and presentation of the paper. I would like to thank the WSEAS for the professional editing services and the rigorous peer review.*
