Additional Comments:

We sincerely thank the Editor and the Reviewers for their careful evaluation of our manuscript and for their constructive and insightful comments. We greatly appreciate their positive assessment of the study's relevance, empirical contribution, and mixed-methods design. Their valuable feedback helped us substantially improve the methodological rigor, clarity, and overall presentation of the manuscript.

In response to the reviewers suggestions, we carefully revised the manuscript and addressed all comments in detail. Major revisions included expansion of the statistical analysis, improvement of ANOVA reporting and robustness checks, clarification of regression model specification and variable operationalization, strengthening of the methodological section, expansion of the discussion of limitations, and careful proofreading and editorial revision to improve academic clarity, consistency, and presentation.

We highly appreciate the professionalism, transparency, and academic standards maintained throughout the peer-review and editorial process.
